CUSTOMER QUOTES

"...my cure time was cut down between 4 to 6 hours, without the excess additives or other heaters. Because I get a perfect wet cure with the Power Blanket, my product is stronger more reliable. I have since changed my curing system completely and I use the Power Blanket year round."

- Stone Image Concrete, Inc

"[I] was amazed at how good this blanket had worked. We ordered two more that week!"

- Chandler Bateman, 3-B Construction
